

BECAUSE GIVING BACK MEANS NEVER GIVING UP.

As 2021 draws to a close, Johnny Mac Soldiers Fund embarks on our most crucial campaign to date:

OPERATION ENDURANCE

Our goal is to successfully finish out this year by funding **800 Johnny Mac Scholars and awarding \$4 million in scholarships.**

No matter what else happens in the world, we press on to fulfill our mission of providing scholarships to military children of our nation's fallen or disabled.
